Personal Care

“Personal care services” means both physical assistance and/or prompting and supervising the performance of direct personal care tasks as determined by the resident’s needs, and does not include assistance with tasks performed by a licensed health professional. (WAC 388-76-10000)

1. EATING

If needed, the home may provide assistance with eating as follows:

We assist in feeding, puree, special diets and give other options if they don't like the meal. We always encourage residents to eat and give them ample time to eat by themselves even if this means we need to reheat the food.

2. TOILETING

If needed, the home may provide assistance with toileting as follows:

We provide incontinence care, pericare, catheter care and much more.

3. WALKING

If needed, the home may provide assistance with walking as follows:

We encourage walking. We have a wide and long hallway that is perfect for walking, even if the weather is not pleasant. When weather permits, the large outdoor deck is wonderful to take a stroll on.

4. TRANSFERRING

If needed, the home may provide assistance with transferring as follows:

We will use the safest way to transfer a person. We can safely transfer a person from the bed to a chair, sofa or car with the help of a gait belt.

5. POSITIONING

If needed, the home may provide assistance with positioning as follows:

We make sure the resident is comfortable and safe. When needed we will reposition the resident every 2 hours or as needed to prevent pressure sores.

6. PERSONAL HYGIENE

If needed, the home may provide assistance with personal hygiene as follows:

We take care of all personal needs like brushing teeth, combing hair, showers, shaving, putting on makeup and much more.

7. DRESSING

If needed, the home may provide assistance with dressing as follows:

We always give options to the resident on what they want to wear. We help with dressing, undressing, choosing clothes and making sure the resident looks their best.

8. BATHING

If needed, the home may provide assistance with bathing as follows:

We provide a big shower room with heated floors to make sure no resident is cold when they are helped in taking a shower. A shower chair is provided for comfort.

9. ADDITIONAL COMMENTS REGARDING PERSONAL CARE

We acomadate the resident's needs as much as we can and always allow them to do as much as they can.

Medication Services

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

All medication is allowed with a doctor's order. We help with organizing, cues, and provide any assistance that the doctor requires.

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

Caregivers, and provider are delegated by RN on how to handle medication.

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

The caregivers will be delegated by a RN nurse.
